Sir:

In compliance with the duty of disclosure under 37 CFR § 1.56, it is respectfully requested that this Partial Resubmission of the Ninth Supplemental Information Disclosure Statement to Correct Non-Patent Literature Reference be entered and the document listed below and on the attached Form PTO-1449 be considered by the Examiner and made of record. A copy of the listed document as required by 37 CFR § 1.98(a)(2) is enclosed for the convenience of the Examiner. The reference being resubmitted is:

**Non-Patent Literature Reference:**

Digital cellular telecommunications system (Phase 2+); Universal Mobile Telecommunications System (UMTS); Location Services (LCS); Stage 1 (3GPP TS 22.071 version 5.2.0 Release 5); ETSI TS 122 071, ETSI STANDARDS, European Telecommunication Standards Institute, Sophia Antipolis Cedex France, September 2003, XP 014016349

In accordance with 37 CFR § 1.97(g),(h), this Partial Resubmission of the Ninth Supplemental Information Disclosure Statement to Correct Non-Patent Literature Reference is not to be construed as a representation that a search has been made and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 CFR § 1.56(b).

Pursuant to 37 CFR § 1.97(e)(1), Applicant states that each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart application not more than three months prior to the filing of this Information Disclosure Statement.

This Partial Resubmission of the Ninth Supplemental Information Disclosure Statement to Correct Non-Patent Literature Reference is being submitted to include the date of the presently and previously cited non-patent literature reference. The date of "Digital cellular telecommunications system (Phase 2+); Universal Mobile Telecommunications System (UMTS); Location Services (LCS); Stage 1 (3GPP TS 22.071 version 5.2.0 Release 5); ETSI TS 122 071" was inadvertently omitted from the Ninth Supplemental Information Disclosure Statement filed July 2, 2009. Since this is a resubmission of a previously cited reference, no fee is believed to be associated with the filing of this Partial Resubmission of the Ninth Supplemental Information Disclosure Statement. However, should any fees be deemed required, the U.S. Patent and Trademark Office is authorized to deduct any such fees from the Deposit Account of Brinks Hofer Gilson & Lione, as authorized in the accompanying Transmittal.

**The Examiner is respectfully requested to carefully review the discussion in the Ninth Supplemental Information Disclosure Statement of July 2, 2009, pertaining to the presently and previously cited reference and the other references that were cited in the Ninth Supplemental Information Disclosure Statement filed July 2, 2009.**
